

Acrocephalus melanopogon

Moustached Warbler

Carricerín real

MOULT

Complete **postbreeding** and **postjuvenile** moults, usually finished in October.

MUDA

Mudas **postnupcial** y **postjuvenil** completas, que suelen estar terminadas en octubre.

SEXING

Plumage of both sexes alike.

SEXO

Ambos sexos son de plumaje similar.

AGEING

2 types of age can be recognized:

Juvenile with fresh feathers (check flight feathers and tail); iris brown-olive; yellow inside of upper mandible; 10th primary with broad tip.

Adult in autumn with worn plumage; iris brown-reddish; orange inside of upper mandible; 10th primary with narrow tip.

In **spring**, after **postbreeding** and **postjuvenile** moults, ageing is not possible using plumage characteristics.

EDAD

Pueden reconocerse 2 tipos de edad:

Juvenil con plumaje nuevo (examinar plumas de vuelo y cola); iris marrón-oliva; boca amarilla; 10ª primaria con punta ancha.

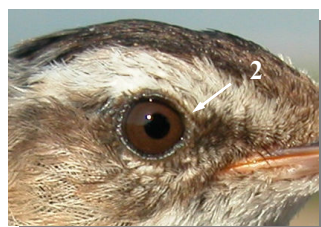

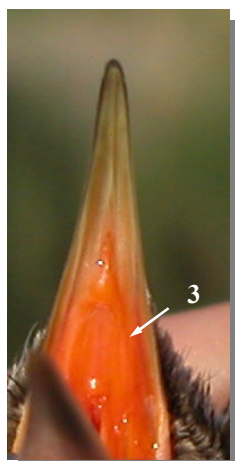

Adulto en otoño con plumaje desgastado; iris marrón-rojizo; boca anaranjada; 10ª primaria con punta estrecha.

En primavera, después de las mudas **postnupcial/postjuvenil**, no es posible datar la edad utilizando el plumaje.

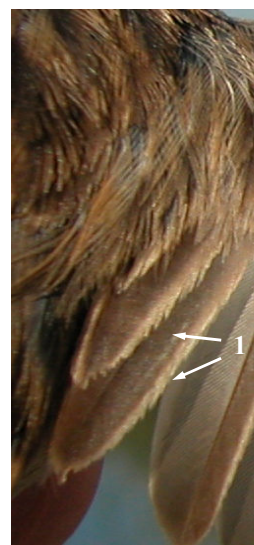

Ageing. Juvenile. 10th primary and colour of iris and mouth: 10th primary with broad tip (1); brown olive iris (2); yellow upper mandible (3).

Edad. Juvenil. 10ª primaria y color del iris y boca: 10ª primaria con punta ancha (1); iris marrón oliváceo (2); mandíbula superior amarilla (3).

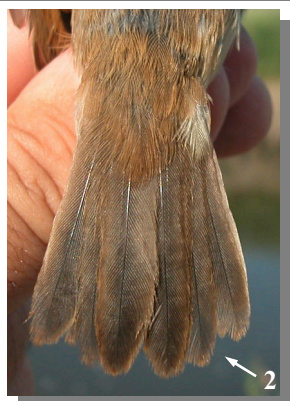

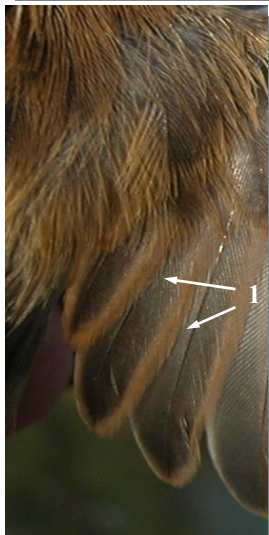

Ageing. Adult. 10th primary and colour of iris and mouth: 10th primary with narrow tip (1); reddish iris (2); orange upper mandible (3).

Edad. Adulto. 10ª primaria y color del iris y boca: 10ª primaria con punta estrecha (1); iris rojizo (2); mandíbula superior naranja (3).

Ageing. Summer. Adult. Plumage pattern: wing (1) and tail (2) with worn feathers (02-VI).

Edad. Verano. Adulto. Diseño del plumaje: ala (1) y cola (2) con plumas desgastadas (02-VI).

Ageing. Summer. Juvenile. Plumage pattern: wing (1) and tail (2) with fresh feathers (02-VI).

Edad. Verano. Juvenil. Diseño del plumaje: ala (1) y cola (2) con plumas nuevas (02-VI).
